

K1 CHARTERS TERMS & CONDITIONS + BOAT CONDUCT POLICY

1. Must Be a Certified Diver

All divers must hold a minimum of an Open Water Diver certification from a recognized agency. Proof of recent diving activity (within the past year) and experience in New England or similar cold-water conditions is required. Certification cards and logbooks will be verified prior to boarding.

Participation in advanced charters is limited to divers with an Advanced Open Water certification, proven experience in similar environments, or those accompanied by a certified dive professional. Divers without appropriate credentials will be denied boarding and will not receive a refund.

3. Specialty Equipment Use

Use of specialty dive gear—such as drysuits, full-face masks, DPVs, rebreathers, doubles, or side-mount systems—requires proof of training or specialty certification. No exceptions. This is for your safety and the safety of others onboard.

4. Dive Charter Boat

K1 CHARTERS is a charter vessel operator. We do not provide dive instruction. If you require dive training or a guided dive experience, please contact our affiliated dive center, DiVE KS, located in Beverly, MA.

BOOKING, ARRIVAL & WEATHER

7. Weather, Marine Forecast & Motion Sickness

Marine forecasts may change unexpectedly. If you are prone to seasickness, please prepare in advance. Refunds will not be issued due to motion sickness. We reserve the right to cancel or reschedule charters due to weather, mechanical issues, or other circumstances. When possible, notice will be given the evening prior. Guests will be notified via call, text, or email and must confirm receipt. We are not responsible if you miss this notice. In rare cases, the captain may cancel at the dock. If a trip is canceled before departure, guests will have the opportunity to reschedule. No refunds for guest cancellations, no-shows, or late arrivals.

PASSES, TRANSFERS & REFUNDS

8. Season Pass Transfers

Season Passes are fully transferable under the following conditions:

- Replacement diver meets all certification/experience requirements
- All forms and waivers are completed in advance
- K1C is notified by email 48 hours prior to the charter

Abuse of this policy or failure to follow transfer steps may result in revocation of the pass without refund.

9. Respect & Safety Policy

Safety is our #1 priority. We treat all guests with courtesy and expect the same in return. We reserve the right to refuse or cancel bookings if another operation may be a better fit. Disrespectful behavior, unsafe diving, or refusal to follow safety instructions will result in denial of service and permanent blacklisting from future bookings.

13. Charter Calendar Access & Booking Policy

- The K1C Charter Calendar is released monthly. Season Pass holders receive exclusive early access based on the privileges outlined in their individual pass tier. During your designated pre-booking window, you'll have the opportunity to reserve charters in advance. Suggested dive sites will be provided as a reference, based on your certification level and diving experience. Specific site requests cannot be guaranteed.
- All charters require a minimum of 4 divers to operate.
- If a Season Pass holder pre-books a charter during their exclusive window but the minimum number of 4 divers is not met, the charter will not run as scheduled. In this case, we will:
 - Notify you in advance.
 - Offer to reschedule your booking to another available charter date, or
 - Allow you to transfer your booking credit to another eligible date within your pass period.
- Once the early access window closes, the calendar will open in phases to other Season Pass tiers, followed by the general public.

14. Minors Onboard

Divers under the age of 18 must be accompanied by a certified, participating parent or legal guardian. Unaccompanied minors are not permitted on board. Proof of age may be requested.

15. Gratuity Policy

Gratuities for the crew are not included in the charter pricing but are always appreciated for exceptional service. Tipping is at the discretion of the guest.

16. Trip Duration Disclaimer

Charter duration may vary depending on dive site, marine conditions, and group dynamics. Return times are approximate. Please plan your day accordingly, especially if coordinating post-charter activities.
